Health & Safety is a Priority at SHIP

Spring is around the corner!

Reminder we move our clocks forward by one hour on Sunday March 14 at 2 a.m.

Wear your mask correctly:

- Wash your hands or use hand sanitizer before putting on your mask
- Put the mask over your nose and mouth and secure it under your chin
- Fit the mask snugly against the sides of your face, slipping the loops over your ears or tying the strings behind your head
- If you have to continually adjust your mask, it doesn't fit properly

Do:

- Wear a mask over your nose and mouth to help prevent getting and spreading covid-19
- Wear a mask in public settings when around people who don't live in your household, especially when indoors and when it may be difficult for you to stay 6 feet apart from people who don't live with you
- Wear a mask under your scarf in cold weather
- Keep a spare mask to replace one that becomes wet from moisture in your breath, snow or rain
- Store wet reusable masks in a plastic bag until they can be washed

Do Not:

- Put the mask around your neck or up on your forehead
- Touch the mask, and if you do,, wash your hands or use hand sanitizer

Important Notes—Bylaw Officers have been on site and can issue fines to anyone found not wearing a mask (without a health accommodation). Public Health recommends the use of 3-ply masks.
