

## From the SHIP Team

As 2021 comes to a close, the 236 Project Team at SHIP would like to share our best wishes to you and your families for a healthy and safe 2022.

We look forward to the year ahead as proud partners in Dufferin County. Together, with this community, we will continue to work towards bringing an end to homelessness through the provision of affordable housing.

## Accreditation

SHIP is an accredited service provider with Exemplary Standing (the highest standing) through Accreditation Canada. The accreditation program is voluntary and is recognized by provincial and federal funders of health services.

Accreditation demonstrates to all of our clients, families and stakeholders our commitment to providing the highest quality of care and experience at all our locations.

## Community Advisory

## An opportunity to SHARE, LEARN and INFORM

As part of SHIP's commitment to ensuring the 236 First Street Community has a positive impact on the neighbourhood, the First Street Community Advisory Committee will:

- Build and maintain positive **relationships** amongst the residents, community, SHIP and other relevant stakeholders
- Facilitate **information** sharing and dialogue
- Identify and resolve any **issues, opportunities and concerns** related to building operations
- Support the **success** of the supportive housing project
- Promote **awareness** about the importance and benefits of affordable housing, and be proactive in addressing negative attitudes
- Provide input and **recommendations** for further community integration opportunities
- **Communicate** accomplishments, timelines, updates, etc.

Membership will consist of community, business, staff, clients and family.

Meetings will take place every other month or at the call of the Chair. We will be connecting with community individuals who have expressed interest in joining the committee to attend their first meeting in late January.
